

# Tookany/Tacony-Frankford Watershed Partnership, Inc.

## PARTNER ALLIANCE

**Join now and we'll begin to promote your participation right away.**

Get to know us and the many businesses, institutions, and organizations we work with before our **Watershed Milestones Award Ceremony & Reception** in May.

*Reap the benefits of a year-long marketing partnership!*

TTF's Partner Alliance allows us at Infrastructure Solution Services to support an effective, creative watershed organization while maximizing our business and community connections and presence. We consider our membership a strong investment in a clean water future for the Philadelphia region and look forward to being an active Partner Alliance member again this year.

– Peter Burns, Infrastructure Solution Services

*At the Partner Alliance Reception, I met a recent UPenn graduate who was looking for a position in river science, which is related to my expertise. I offered to review her resume, connect her to a local colleague with similar interests and hiring capabilities, and keep an eye out for job postings. We've been in touch two or three times since and she had a nice interaction with the person I connected her to as well.*

– Laura Craig, American Rivers
