New Website for Tacony Creek Park

Thanks to funding received from the William Penn Foundation to support community engagement and outreach efforts for Tacony Creek Park, the Tookany/Tacony- Frankford Watershed Partnership (TTF) contracted with Portfolio Associates to develop a website about this 300 acre watershed park located in Northeast Philly. This Philadelphia Parks & Recreation Park is part of the regional Circuit Trail and features a fully paved 3.2 mile trail along the creek, surrounded by woodland forests and meadows.

The public can now access information about:
• The history of the park
• Upcoming events and programs such as nature and bird walks
• A gallery of photos and videos, resources such as park maps, brochures and bird guides
• And ways to become involved in the stewardship and restoration of this historic park.

This website will be maintained by TTF in partnership with the Tacony Creek Park Keepers, a newly registered Friends Group approved by the Philadelphia Parks & Recreation Stewardship Program in March of 2016. To learn more, visit tskeepers.org
